When you receive an email from the Text Conversion Lab with a link to download your e-text, follow the instructions provided.

- Make sure to open the Voice Dream Reader app prior to downloading and create a folder where you want the book to go. Then go back to the Text Conversion Lab email that was sent to you.
- Select the link provided in the email to log-in to AIM. Make sure AIM **opens in a Safari browser**. Go to Text Conversion under the My Accommodations menu on the left side.

The screenshot shows the AIM interface. On the left, a navigation menu under 'My Accommodations' has 'Text Conversion' circled in red. The main content area shows a PDF generation tool for 'PRINTING FACULTY NOTIFICATION LETTER IN PDF'. A table shows 'COM 111.001 - Intro Com Theories (CRN: 1297)' with 'Modify Request' and 'Cancel Request' links. Below the table, instructor 'Jodi Hallsten Lyczak' and 'Days and Time(s): Not Specified' are listed.

Books that have a receipt submitted and are ready for download will appear with a Download Book button under the Status heading. Select Download Book.
